MOTIVATION

Motivation

TV is “boring”

Television has been on a decline since 2016, especially younger people lost interest

No interaction

All the audience can do is sit and watch

Isolation

Unused connection between fans

A solution for all devices

All of the new functionality is available for all 3 screens. For the concept to work on the big screen, we used the mobile app as a smart remote.

A background image of an ice hockey game. Several players in red and white jerseys are visible on the ice. The arena has various banners, including 'TimeTool', 'Zyterfassie', 'daily job', 'LOSINGER MARAZZI', 'WATSON', 'Zaunteam', and 'INTERHOCKEY'. The text 'NEW FUNCTIONALITY' is overlaid in large white letters.

Further potential

The image shows a live broadcast of an ice hockey game. The scene is viewed from an elevated position on the rink. In the center, a large white text overlay reads "Live Demo". The ice surface features several logos, including "Friedli AG" in the center and "LINDENH GRUPP" near the bottom right. A goal is visible on the right side of the frame. The boards around the rink are covered with various advertisements, including "HELP-TEC", "RICHTNER", "Over", "MELONS", "HAUSANERUNG BERN AG", "CARXPERT", "ULLRICH", and "gar energie". The "marti" logo is also prominent. At the top of the image, a scoreboard displays "POWERPLAY 1:49", "08:04 1/3", and the team names "SCB" and "EHCK" with a score of "0" for each. The "MYSPO RTS" logo is visible at the bottom center.
